## Men's Polka Dot Shirt

Though the polka dot pattern looks quite modern, this print has already turned two hundred years.

Polka dots gained special popularity in the second half of the twentieth century; nowadays, they now and again come into fashion as well.

Last spring, there came a new wave of popularity of polka dot, which is likely to last

into the next season as well.

This print will look stunning with black jeans and Chelsea boots.

## Black Jeans

Black is the color to fit a polka dot shirt.

The variant of jeans is up to you and depend on the situation – it may be regular jeans, slim fit jeans or ripped jeans.

A chain will be a great accessory to match, particularly as far as more casual style is concerned – it will look especially fancy with ripped jeans.

## Men's Brown Chelsea Boots

Chelsea boots appeared as far back as the Victorian era, they were worn in those days by both men and women.

It was Queen Victoria's shoemaker himself who designed this type of footwear.

In the past century, The Beatles and The Rolling Stones were wearing them.

Over the past few years, these ankle-high close-fitting boots have become one of the best choices for style-minded men.
